

NORTHWEST CREDIT UNION FOUNDATION IMPACT REPORT

— 2019 - 2020 —

Your donations made our work possible in:

ECONOMIC EMPOWERMENT

In partnership with credit unions, we are expanding economic opportunity and access for residents across our region.

ASSET BUILDING

Through credit unions, we are supporting financial literacy and capability efforts to help individuals, families, and communities achieve prosperity.

COOPERATIVE DEVELOPMENT

Together, we are ensuring a strong future for the Credit Union Movement.

WILDFIRE DISASTER RELIEF

\$100,000+

raised to support credit unions and their staff impacted by wildfires.

SCHOLARSHIPS AWARDED

\$115,000

reimbursed to 147 credit union professionals to further their professional development.

WORKFORCE HOUSING

\$295,000

grant dollars awarded to credit unions, supporting innovative solutions to promote greater access to housing.

FINANCIAL EDUCATION

provided through Biz Kid\$ and Bite of Reality programming, offering literacy curriculum and resources for in-person and remote learning.

Continued grant support for Junior Achievement and Financial Beginnings across the region.

EMERGENCY LOAN PROGRAM

\$350,000+

raised to deploy safe and affordable capital to low-wage and noncitizen workers impacted by the economic challenges caused by COVID-19.

25+

CREDIT UNIONS

assisted in leveraging outside dollars to help their communities, including \$167,000 from NCUA to low-income credit unions.

Powered by a network of credit unions, the Northwest Credit Union Foundation's work is made possible by the donors who support and believe in our mission to strengthen the financial lives of people and communities throughout the region.
